1. ABOUT PRATHYUSHA ENGINEERING COLLEGE (PEC)

Prathyusha Engineering College, Chennai – popularly known as PEC – is a self-financed Telugu Minority Institution managed by Prathyusha Educational Trust, Chennai. It is approved by AICTE, affiliated to Anna University, accredited by the NBA Programme, and is a recipient of ISO certification. The college is located 30 km from Chennai Central Railway Station on the Poonamallee–Tiruvallur Road, Aranvayal Kuppam Village, Aranvayal Post, Tiruvallur.

The college was conferred with Autonomous Status from the academic year 2023–2024. It was established in the year 2001 with the aim of promoting engineering education with quality technical knowledge to students from Chennai, various districts in Tamil Nadu, and neighbouring states. The institution is the vision of its Founder and Chairman, Shri P. Raja Rao, a well-known industrialist and philanthropist, aimed at bringing world-class education to this campus.

Infrastructure & Learning Environment

The eye-capturing sylvan campus and mind-captivating infrastructure is supported by qualified, committed, and experienced faculty members assisted by skilled technicians. The campus features magnificent buildings for each department with spacious smart classrooms, fully equipped laboratories, seminar halls, an incubation centre for research, industry-attached laboratories, a digitised central library, Centres of Excellence, and Technical Clubs that together inculcate both theoretical and practical knowledge in students.

Separate hostels for boys and girls with hygienic food and Hi-Fi gym & parlour facilities function as a second home. The campus also offers a playground, cafeteria, indoor playground, temple, ATM facility, medical care, and an internet centre. Day scholars are transported to the college via more than 40 buses connecting all parts of the city.

2. VISION & MISSION

Vision

To emerge as a premier technical and engineering institution in the country by imparting Quality Education and thus facilitate students to blossom into dynamic professionals so that they play a vital role for the progress of the nation and for a peaceful co-existence of fellow human beings.

Mission

- Providing state-of-the-art infrastructure facilities.
- Imparting quality education and training through qualified, experienced, and committed faculty.
- Empowering the youth by providing professional leadership.
- Developing Centres of Excellence in frontier areas of Engineering & Technology.
- Networking with Industry, Corporate, and Research Organizations.
- Promoting Institute-Industry partnership for the peace and prosperity of the nation.

3. MANAGEMENT & LEADERSHIP

Shri. P. RAJA RAO

Founder & Chairman

Shri. P. Raja Rao is a well-known industrialist and philanthropist. His vision was to bring world-class education to the sylvan campus of PEC. He stated: "Some people make business their career, while some make career their business. However, it is my humble endeavour to take along a team and dedicate our time, effort, energy and resources to develop the infrastructure and facilities for the future generation and provide a platform for students to charter their own course of triumph and lead the nation to a glorious future."

Mrs. P. SHAKILA

Member Trustee

Mrs. Shakila Paruchuri is a passionate philanthropist and a firm believer in the power of education to uplift individuals and communities. A strong advocate for women empowerment, she has been instrumental in mentoring young women engineers and encouraging them to pursue careers in technology and innovation. An avid reader with a deep love for literature and learning, her quiet leadership continues to inspire a culture of empathy, excellence, and lifelong learning.

Smt. P. PRATHYUSHA

Chief Executive Officer (CEO)

Mrs. P. Prathyusha is a Commerce graduate who completed her Masters in Management Studies from the prestigious Great Lakes Institute of Management, Chennai. She plays a key role in establishing a hallmark for PEC. She stated: "I am honoured to facilitate Engineering Education that exalts students to face new technical challenges and progress through quality and skill-based education in the global competition."

Charan Teja PARUCHURI

Vice Chairman

A dynamic leader steering the institution with clarity, precision, and vision. He brings a modern, strategic approach to strengthening the college's future roadmap. An aviator by passion, recognized for his global outlook and commitment to excellence and high-performance standards. He champions innovation and industry-connected progress across the institution.

4. PRINCIPAL'S PROFILE

Dr. P. L. N. Ramesh (Dr. R. S. Kumar)

Qualifications: B.Tech, M.Tech., PhD

Dr. R. S. Kumar studied in premier institutes. He completed his B.E. with Honours in Mechanical Engineering from PSG College of Technology, M.Tech from IIT Delhi in Production Technology, and PhD from Anna University in the Product Development domain. He also completed a Management Development Program from XLRI Jamshedpur.

Work Experience

- Worked in Multinational Companies such as EAT, Ascon, and Ramco Systems in various locations across the country – in design, E-Governance, and Software Services – for 6+ years.
- For the last 25+ years he has been in Academia; for the past 15+ years he has worked as a Principal.
- Currently serving as Principal of Prathyusha Engineering College (Autonomous), Chennai.
- Total experience: 31+ years.

Key Achievements

- Expert in academic systems implementation and development.
- More than 20,000 students and faculty have benefitted from his academic contributions.

- Successfully implemented 54 industry-based Technical Clubs.
- Secured more than Rs. 5 crores of funding for his institutions.

5. CAMPUS OVERVIEW & KEY STATISTICS

2001 Year of Establishment	A NAAC Grade	21st Rank Among Affiliated Colleges	100% Internship cum Placement	10 Cr+ Research Grants
161 Anna University Rank Holders	780 Annual Student Intake	2500+ Students on Campus	65,000 Library Volumes	45 Acres Eco-Friendly Campus

Campus Highlights

- 45-acre eco-friendly campus with over 5,00,000 sq. ft. of built-in area.
- NAAC Accreditation with 'A' Grade.
- NBA accredited and re-accredited programmes.
- AICTE-funded IDEA Lab worth Rs. 90 Lakhs.
- 10 UG programmes and 2 PG programmes with annual intake of 780 students.
- Anna University Research Recognition for all departments.
- Modern Computer Labs with 1,500 systems and 400 Mbps (1:1) Internet Leased Line.
- Physical Education Playgrounds of more than 6.5 acres.
- 5th Rank in 2017–18 University Results among 497 Engineering Colleges in Tamil Nadu.
- Global education opportunities via MoUs with universities abroad.
- Research grants of more than Rs. 2 crore from Govt. funding agencies: AICTE, SERB, DRDO, CVRDE, CSIR, MNRE, TNSCST & BRNS.
- Centres of Excellence: Robotics, AR and VR, Drone Lab, Animal House, 3D Printing, LabView.
- MoUs signed with industries: HEXAWARE, MOVATE, THOZHIL, TANSAM.
- Library: 65,000 volumes, 13,000 titles of national and international journals and magazines.
- More than 40 buses connecting students from all parts of Chennai.
- Shri Sivaramayya Merit Scholarship: Cutoff 180+ gets full fee waiver; 170+ gets Tuition Fee waiver.

10. PLACEMENTS & TRAINING

The Placement and Training Division at Prathyusha Engineering College is dedicated to nurturing talent, encouraging innovation, and empowering students to excel in their chosen fields. The division offers dedicated counseling services, guidance on non-governmental scholarships, 100% job opportunities, and guidance for higher education and entrepreneurship.

Training Objectives

- To provide personalized service and training facilities.
- To guide and assist in the co-ordination of students' activities.
- To provide counseling facilities and information on availability of non-governmental scholarships.
- 100% job opportunities, and guidance for higher education and entrepreneurship.

Training Activities

- Training roadmap starting from 2nd semester onwards ensures continuous up-skilling of students.
- Problem-solving and programming training conducted for 2nd and 3rd semester students.
- 2nd, 3rd, and 4th year students enroll in Technical Clubs of their interest: Data Science, IoT, Mobile Application Development (Xamarin), Web Application Development, Cyber Security, etc.
- Students' technical training programmes scheduled as 8 hours per week, including Saturdays.
- Programming and aptitude tests conducted to prepare students for placements.
- Project and coding contests conducted to enhance practical implementation and coding skills.
- Workshops in new domains: ICT Salesforce, Amazon Web Services (AWS), Gaming, Hacking.
- Industry-oriented programmes: IBM Career Education, Infosys Campus Connect, etc.

Training Facilities

- IT infrastructure capable of training 800 students at a time.
- Hi-Tech Laboratories for online practice, tests, and other trainings.
- Spacious, air-conditioned Seminar Halls and Auditoriums for workshops and industry expert interactions.

Placement Team

The department is headed by the **Director (Placement & Training)** assisted by the Placement Officer, Placement Coordinators from all departments, and Placement Staff.

- **Ms. S. HYMAVATHY** – Director (Placement & Training)
- **Mr. J. YUVARAJ** – Placement Officer | Mobile: +91-9445382005

Placement Details Documents

- Students Wise Placement List: https://prathyusha.edu.in/wp-content/uploads/2026/departments/PLACED_STUDENTS_COMPANY_WISE.pdf
- Company Wise Status: https://prathyusha.edu.in/wp-content/uploads/2026/departments/2026_BATCH_COMPANY_WISE%20STATUS.pdf
- Placement Coordinators:

11. PLACEMENT STATISTICS

The following table presents the department-wise placement statistics for the 2025 batch:

Department	Total Students	Registered	Placed	Placed %	Offer Count
AI & DS	111	94	89	94.68%	102
BioTech	38	35	30	85.71%	28
CSE	166	137	112	81.75%	136
ECE	53	43	43	100.00%	62
EEE	18	16	16	100.00%	9
IT	56	48	48	100.00%	72
Mechanical	11	8	8	100.00%	8
TOTAL	442	373	338	90.62%	409

Overall Placement Highlights

- Total students in batch: 442
- Total registered for placement: 373
- Total placed: 338
- Overall placement percentage: 90.62%
- Total offer count: 409
- ECE, EEE, IT, and Mechanical departments achieved 100% placement.

12. FACILITIES OVERVIEW

Prathyusha Engineering College offers well-maintained hostels with modern amenities ensuring a safe and comfortable stay for students. The college also provides reliable and extensive transport facilities connecting major city areas. Cultural activities and sports are strongly encouraged, offering students opportunities to showcase talent and build team spirit.

- Sports & Games
- Library
- Mess
- Hostel
- Infrastructure
- Transport
- Garden Cafe
- General Facilities

13. LIBRARY

The college library is occupied on the First, Second, and Third floors of the building. It is a digitised marvel and a magnificent knowledge storehouse for students across all disciplines.

- Total volumes: 65,000
- National and international journal/magazine titles: 13,000+
- Digital and physical collections available
- Occupies multiple floors of the library building
- URL: <https://prathyusha.edu.in/library/>

14. HOSTEL

Personalized care, meaningful and friendly inmate interaction, and a restful ambience form part of the hostel life at PEC. Separate hostels are available for boys and girls with hygienic food, Hi-Fi gym, and parlour facilities, functioning as a second home to students.

- Separate Boys and Girls Hostels
- Hygienic food provided
- Hi-Fi Gym and Parlour facilities
- Hostel Feast every month and cultural life celebrations
- Hostel Rules & Regulations:
<https://prathyusha.edu.in/wp-content/uploads/2025/downloads/Hostel-Rules-2023-24updated.pdf>
- URL: <https://prathyusha.edu.in/hostel/>

15. TRANSPORT

The College has a fleet of buses, vans, and cars connecting students and staff from all parts of Chennai to the campus with comfort and safety.

- More than 40 buses operate across the city.
- Fleet includes buses, vans, and cars.
- Covers major localities in and around Chennai.
- URL: <https://prathyusha.edu.in/transport/>

16. SPORTS & GAMES

To prepare students to participate in inter-university level competitions and to become champions, PEC strongly encourages sports and games. Regular events, competitions, and training programs ensure active participation and all-round development.

- Physical Education Playgrounds of more than 6.5 acres.
- Indoor Playground available.
- Cultural activities and sports competitions organised regularly.
- URL: <https://prathyusha.edu.in/sports-games/>

17. MESS & GARDEN CAFE

Mess / Canteen

PEC has the facility of spacious, clean, and hygienic canteens and cafeterias that cater to the taste of all students and staff. URL: <https://prathyusha.edu.in/mess>

Garden Cafe

The Garden Cafe at Prathyusha Engineering College is a spacious, clean, and hygienic space designed for students and staff to relax and dine in a garden ambience. URL: <https://prathyusha.edu.in/garden-cafe/>

18. INFRASTRUCTURE

The campus is spread across a vast area of 60 acres of lush green environment with modern satellite-township-like infrastructure.

- 45-acre eco-friendly campus with over 5,00,000 sq. ft. of built-in area.
- Magnificent buildings for each department.
- Spacious smart classrooms.
- Fully equipped laboratories.
- Seminar halls and auditoriums.
- Incubation Centre for research.
- Industry-attached laboratories.
- Modern Computer Labs: 1,500 systems with 400 Mbps (1:1) Internet Leased Line.
- ATM facility on campus.
- Medical care centre.

- Internet centre.
- Temple on campus.
- URL: <https://prathyusha.edu.in/infrastructure/>

19. ALUMNI

PEC maintains strong relations with its alumni community through the Alumni Association. Alumni feedback is actively solicited to improve academic and training programmes.

- Alumni Page: <https://prathyusha.edu.in/alumni/>
- Alumni Feedback Form: <https://prathyusha.edu.in/alumni-feedback/>

20. CAREERS

PEC regularly recruits qualified faculty and staff. Current openings and application procedures are listed on the Careers page.

- Careers Page: <https://prathyusha.edu.in/careers/>
